The **Woody**<sup>tm</sup> log cabins and camps are a cost-effective change from traditional temporary housing solutions. With The **Woody** you achieve the durability, comfort and efficiency of a traditional shelter without losing the benefit of portability and cost-effective price.

## Why The Woody?

- **Can pay for itself in less than time than you think**
- **A complete Woody camp can be set up in days**
- **Permits generally not required for temporary IBC housing**
- **Scarce local tradesmen not required for installation**
- **Easily relocated**
- **The Woody can retain up to 100% of its value even if moved**
- **Designed for the harshest environments -- code compliant**
- **Delivery anywhere in the World**
- **Exceptional durability -- made of solid logs-try kicking in a solid log wall!**
- **Retain their value like a permanent dwelling**
- **Spacious with high vaulted ceilings**
- **Green Friendly and recyclable**
- **Comfort and beauty will help recruit and retain workers**
- **Create a living environment that is a slice of Americana**
